Corporate Governance: Effects on Firm Performance and ... - Shliefer (2000, 2002) view corporate governance as a set of mechanisms through which outside investors (shareholders) protect themselves from inside investors (managers). The Organization for Economic Cooperation and Development provides another perspective by stating that "corporate governance is the system by which business corporations are directed and controlled. The corporate governance ... Thu, 19 Nov 2020 06:05:00 GMT

Corporate social responsibility, ethics, and ... - The Malaysian Code on Corporate Governance (2000) requires that there is a balance of power and authority between Chairman and Chief Executive Officer so that no one individual has unfettered powers of decision. It is recommended that a strong independent element should be induced and publicly explained in the event of CEO duality. However, Donaldson and Davis (1991) and Brickley et al. (1997 ...
