Atlantic Epic - Submariners
finish epic row across Atlantic
Ocean 20 January 2020. Four
Royal Navy submariners have
completed an epic challenge that
saw them row across the Atlantic
Ocean. Team HMS Oardacious
made the 3,000-mile journey in
36 days, six hours and 40
minutes. Their incredible voyage
saw them face 40ft waves,
shark-infested waters, busy
shipping routes and heavy storms.
Known as the "world's ...

team opened a lead early in the
race when there was a headwind
after a few days at sea. The
temptation, they said, was to drop
anchor as progress would be slow
and hard going into the wind, but
their aim was to push through and
