- "To Begin at the Beginning"™ provides examples of work from across our membership exploring how they have started to put these principles in to practice. For some of our members a particular principle has informed the way they have operated for years, for others the exploration of a principle marks the beginning of a new way of working. To begin

at the beginning - A funders response to serious ... - To Begin at the Beginning provides clear and concise information for persons new to Christianity and those who want to learn more about God. This revised and expanded edition includes a new preface, all new study questions, and an updated bibliography. It was originally published in 1994. The book is a starting place for those who want to consider -- or reconsider -- the ess. To Begin at the Beginning: An Introduction to the ... -
