once concrete and fanciful,  
Robert Therrien's photographs  
and drawings do not so much  
represent the world as offer a way  
of looking at it, being in it, and  
dreaming about it. Dealing  
magically in objects and the space  
that surrounds them, his artworks  
suspend stacks of dishes, slept-on  
pillows, table legs and gently  
geomteric patches of color and  
line in a charmed world that  
somehow is our own. Fri, 18 Sep

Robert - Polaroids and Drawings  
by Salzman ... - Robert Therrien  
(November 17, 1947 - June 17,  
2019) was an American artist  
known known for his large-scale  
sculptures. His work reimagined  
and reinvented objects from  
everyday life, such as a set of  
table and chairs or stacks of  
plates, turning them into  
monumental immersive  
sculptures. Los Angeles-based,  
Therrien was described as being  
possessed by a sense of wonder  
over commonplace experiences
